

u.s. international health alliance  
Personal Reference

Applicant's Name \_\_\_\_\_ Date: \_\_\_\_\_

**To the person writing this reference:** The international immersion experience has five specific goals: Personal Spiritual Growth, Professional Development, Immersion in another Culture, Commitment to Social Justice, and Commitment to Service. Your input will help us understand to what degree the applicant is compatible with these goals. Space to participate is limited; thus we thank you for your honest comments. We assure you that your comments will remain confidential Please *return this form by email or in a sealed envelope.*

1. How long have you known the applicant? In what capacity?
2. What are his or her strengths, especially in light of the specific goals described above?
3. Evaluate the applicant's ability to live and work with others – in close quarters and in a foreign culture. What qualities will help or hinder the applicant?
4. Give an example of the applicant's typical reaction to situations of conflict and/or frustration
5. Additional Comments
